How to Own a Bank.

Do You Wish to Save Money?

We have a plan that will induce you to save more pennies, nickels and dimes than you ever imagined you wasted.

**One Dollar Savings
Banks for 25c Each.**

Beginning tomorrow morning, we place on sale one thousand Miniature Steel Safes or Banks, like the illustration, except that the banks are many times larger, made of finest tempered steel, handsomely finished in oxidized copper, fitted with a genuine Yale lock and patent device to prevent money from being improperly extracted.

We are sole distributors in Washington for these Banks. They are not to be compared with the second-hand "rattle-trap" affairs inherited from defunct institutions. Ours are BRAND-NEW BANKS that you will be glad to have in your home.

No more orders for these Banks.

Not more than one to each buyer.

Although the regular price of these Banks has always been one dollar, we shall sell them for 25c each, with the understanding that they are to be opened in our store. WE KEEP THE KEY.

The Plan Is This:

You pay us 25c—and take the Bank home and begin to save money. When you want the Bank opened, bring it to us at any time. What you do with your savings is your own affair. You are under no obligations to buy goods here. WE KEEP THE KEY.

Worth \$3.50, \$4.50 and \$5.00 a Pair

Tomorrow's sale of Lace Curtains furnishes the greatest surprises on record. The great values are the result of closing out from several leading mills the discontinued patterns and sample lines at an extremely low figure. Tomorrow we shall distribute this big lot of Lace Curtains at a half to a third prevailing prices asked for similar qualities. The news couldn't be better or more opportune—coming as it does just a few weeks before housekeepers will be ready to put up their curtains for the winter.

The lot includes fine quality Nottingham and Cable Net Lace Curtains of the finest grades manufactured in this country. In a wide assortment of handsome patterns, including plain centers, figured all-over and motif center effects, with rich, heavy-worked borders. Many are faithful reproductions of the most expensive imported lace curtains, such as Brussels Net, Tambour, Irish Point, Renaissance, Cluny, Antique and Italian filet effects.

Of some there are two and three pairs of a kind—and the other patterns are so similar that you can use them in the same room without offense to good taste. 54 to 60 inches wide, full 3½ yards long. In white, ecru and Arabian shades.

The lowest-priced curtain in the lot sells regularly for \$3.50, and the majority are worth the higher prices at which they are valued—\$4.50 and \$5.00 a pair.
